SUDOKU
CHAMPIONSHIP

BRATISLAVA – SLOVAKIA, 2026

EVERY CITY HAS A UFO, DOESN'T IT?

Thermo & Palindrome & Odd & Even Sudoku by Matúš: In the thermometer, digits must strictly increase starting from the bulb to the tip. The digits on the lines must form a palindrome and be read the same in both directions. Cells with a circle must contain an odd digit, and cells with a square must contain an even digit.
